

# Kornélia Kurucz, PhD

RESEARCHER, BIOLOGIST

## SCIENTIFIC INTEREST

Arthropod vectors  
Ecology of Zoonoses  
Innovative Surveillance

## LANGUAGES

English

German

## WORKING PLACES

### University of Pécs, National Laboratory of Virology

2022-

researcher, group leader – Disease Vectors and Disease Ecology RG

### University of Pécs, Faculty of Sciences, Department of Ecology

2019-

assistant professor

### University of Pécs, Szentagothai Research Centre, Virology RG 2015-2019

research assistant

### Georg-August-Universität Göttingen, Agroecology Department (Germany)

2014

research assistant

## STUDIES

### University of Pécs, Doctoral School of Biology

2012

PhD in Biology

### University of Pécs, Faculty of Sciences

2008

MSc in Biology

## TEACHING

### University of Pécs, Faculty of Sciences

2009-

Ethology, Biogeography, Applied ecology, Zoology Lab Techniques
